The ring of freedom resounds in the confidence that we live our own lives free from the bonds of fear echoed in our trust.

We can't always put our faith
In what we clearly see
But we can hope
For the infinite existence of liberty.

Tammy,

It's been nice knowing you this year. Go out for more sports next year and I'll see you for sure in P.E. Take care and have fun.

His enthusiasm alone gives substance to his love for his students. Living in an unprejudiced world. Giving his knowledge of far away places and far away times, he shows his willingness to share wisdom by the sharing of his experiences. Through the dedication of this yearbook we share with Mr. Ernie Bell our praise and the recognition for which he is worthy.

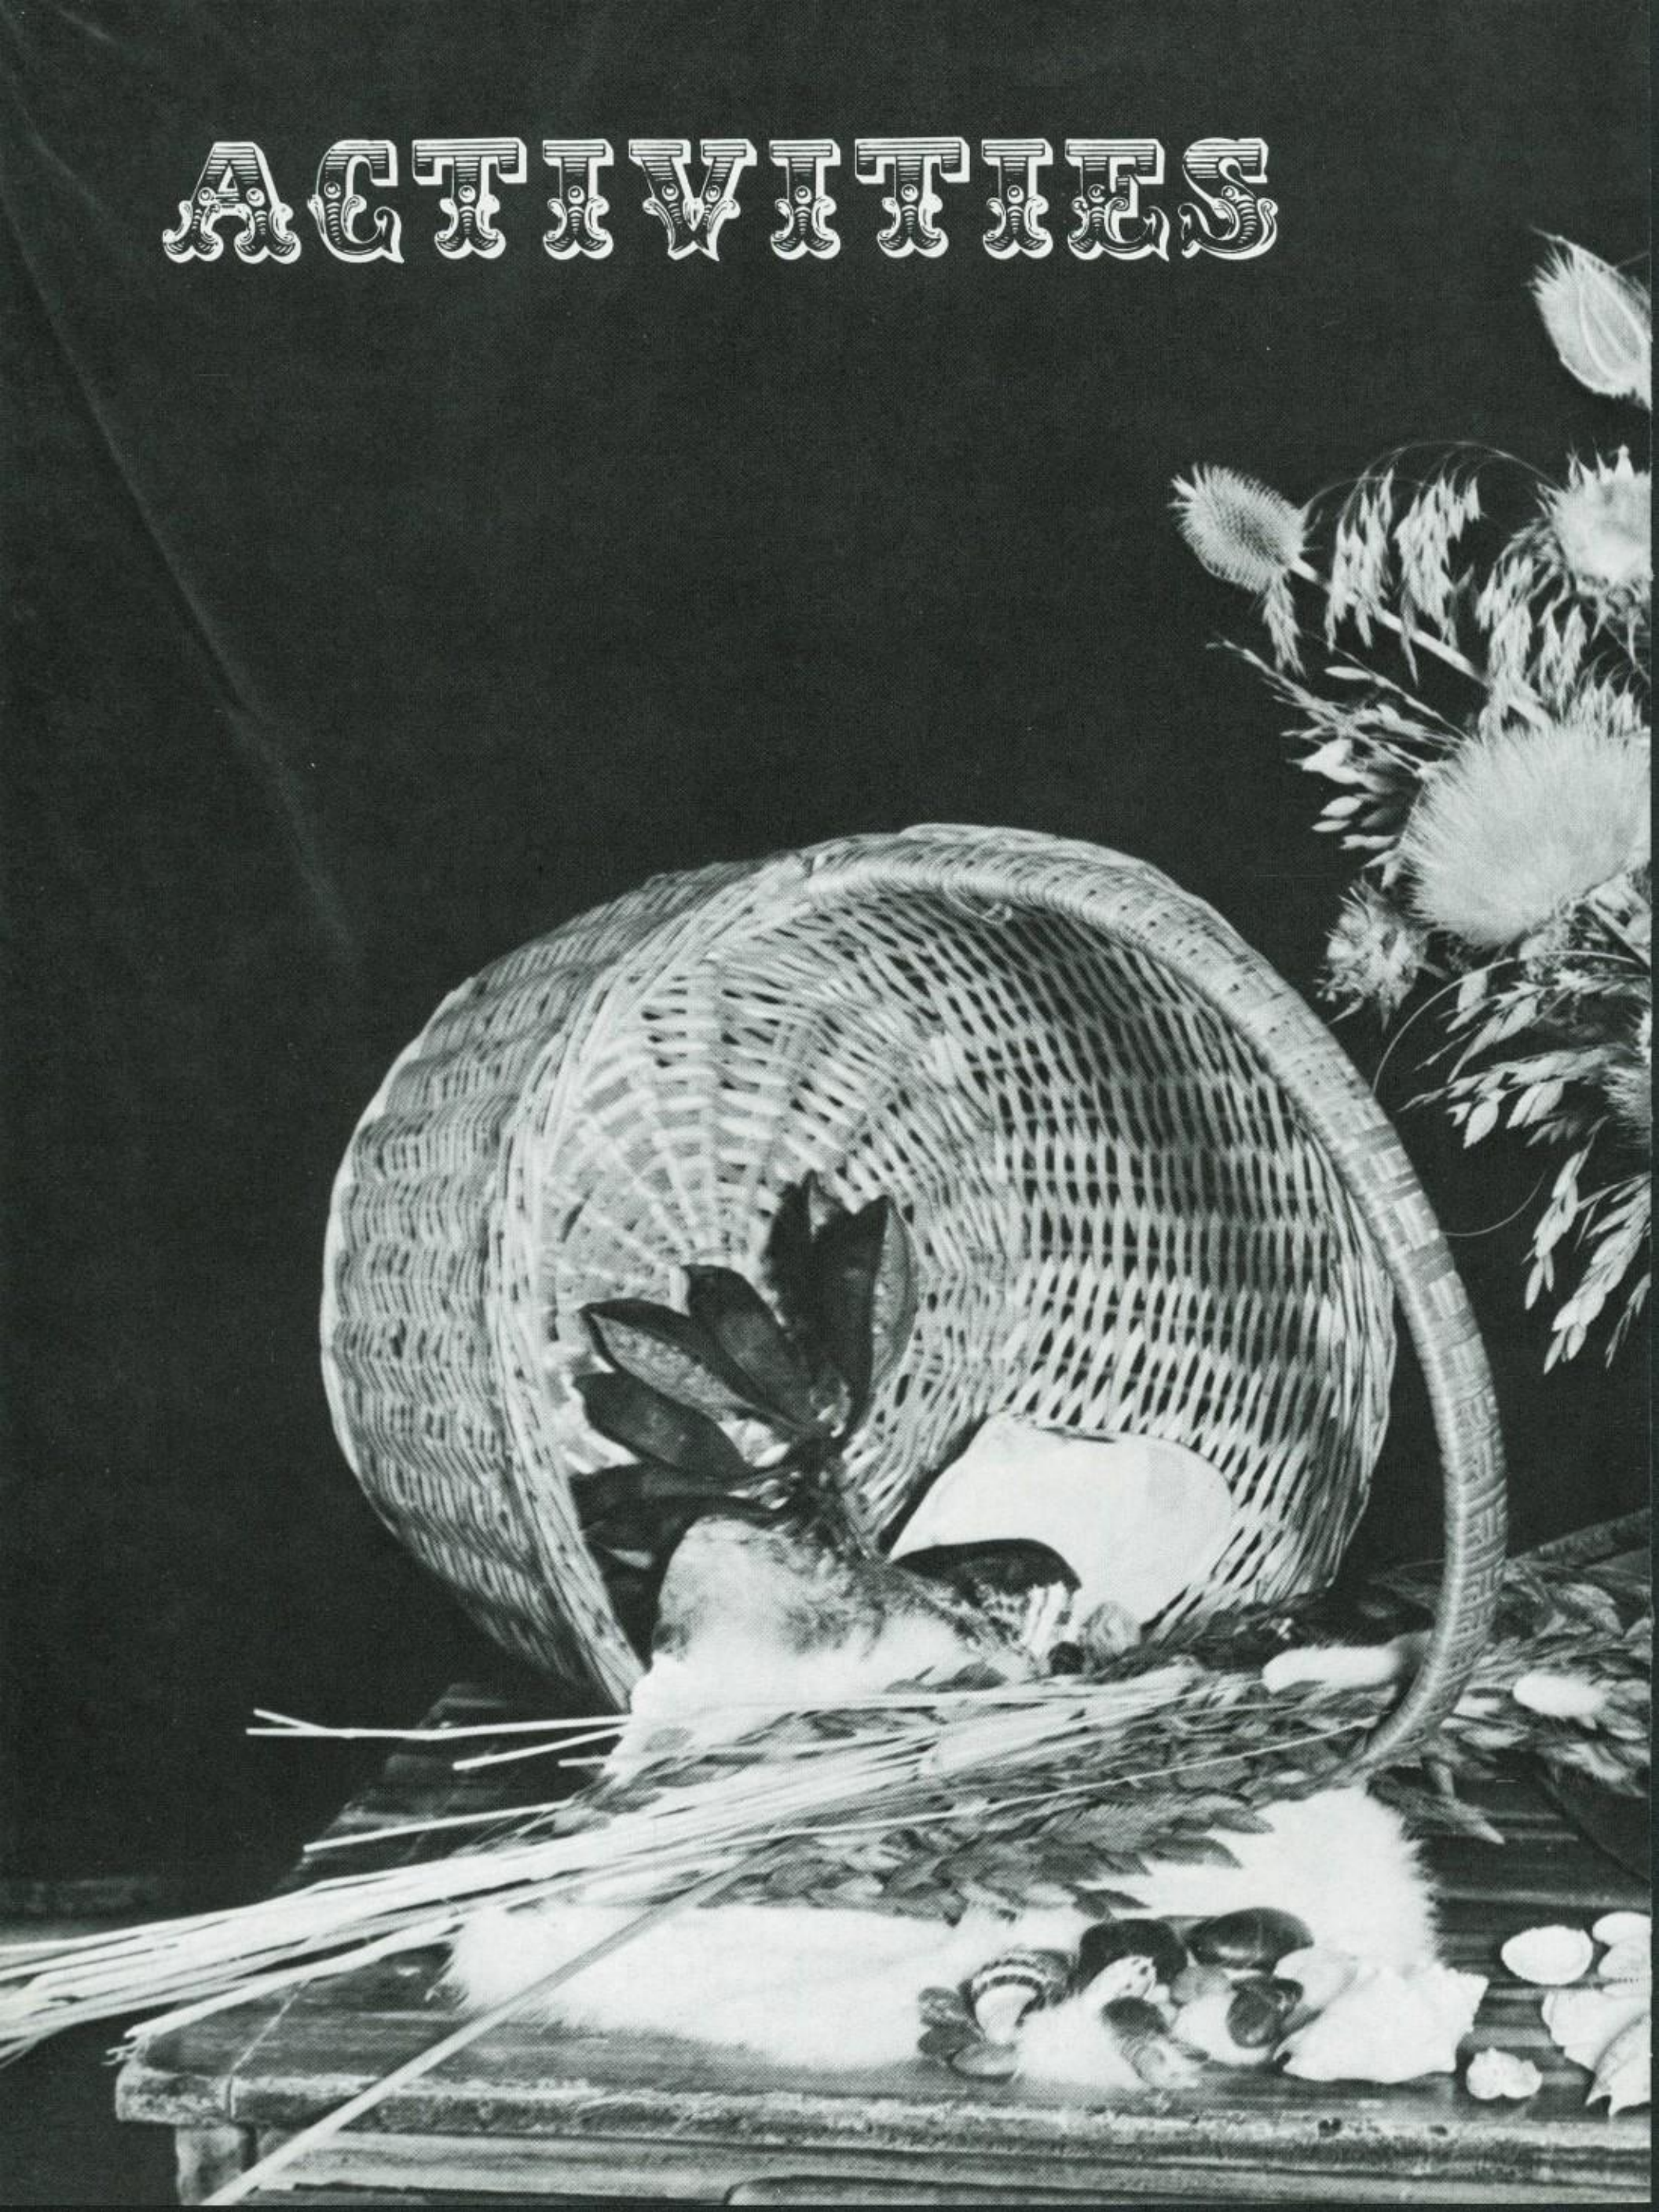
ACTIVITIES



SPORTS NIGHT

Sports Night is a brief but fulfilling time when students and teachers alike can hang-loose and take all their frustrations out on a basketball or volleyball to prevent further conflicts in the future. I wonder what it could be that frustrates Mr. Usher so much!?

POWDER PUFF AND SENIOR TEA

Those aren't flying-saucers, but footballs which always seem to get away before we can catch them . . . which might account for the 0-0 score.

The Senior Tea was for a select few but the memorable impressions will remain as a success in the hearts of many.

The Homecoming Game was an eventful time of excitement. The spirit of the game completely drowned out the final defeat.

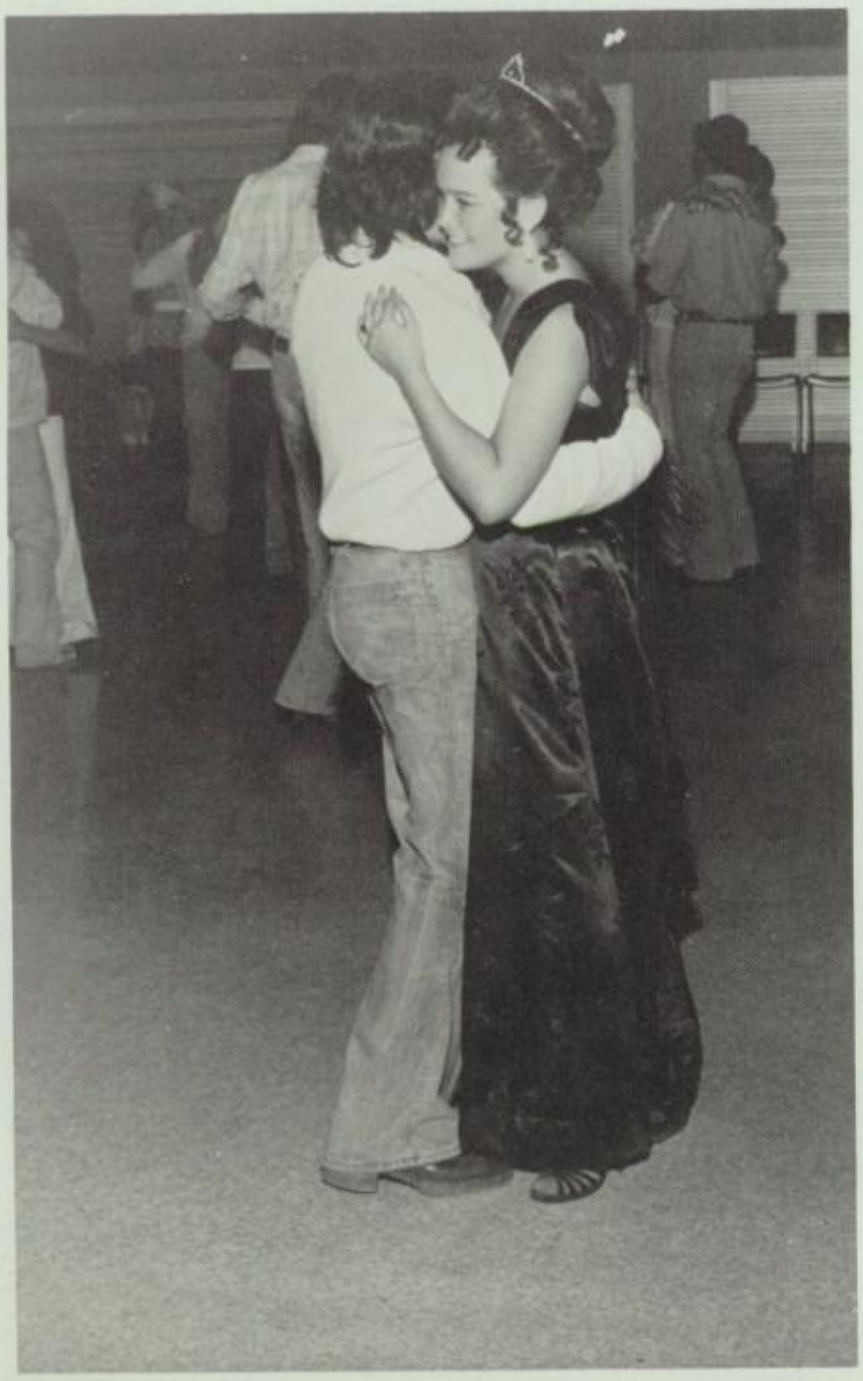
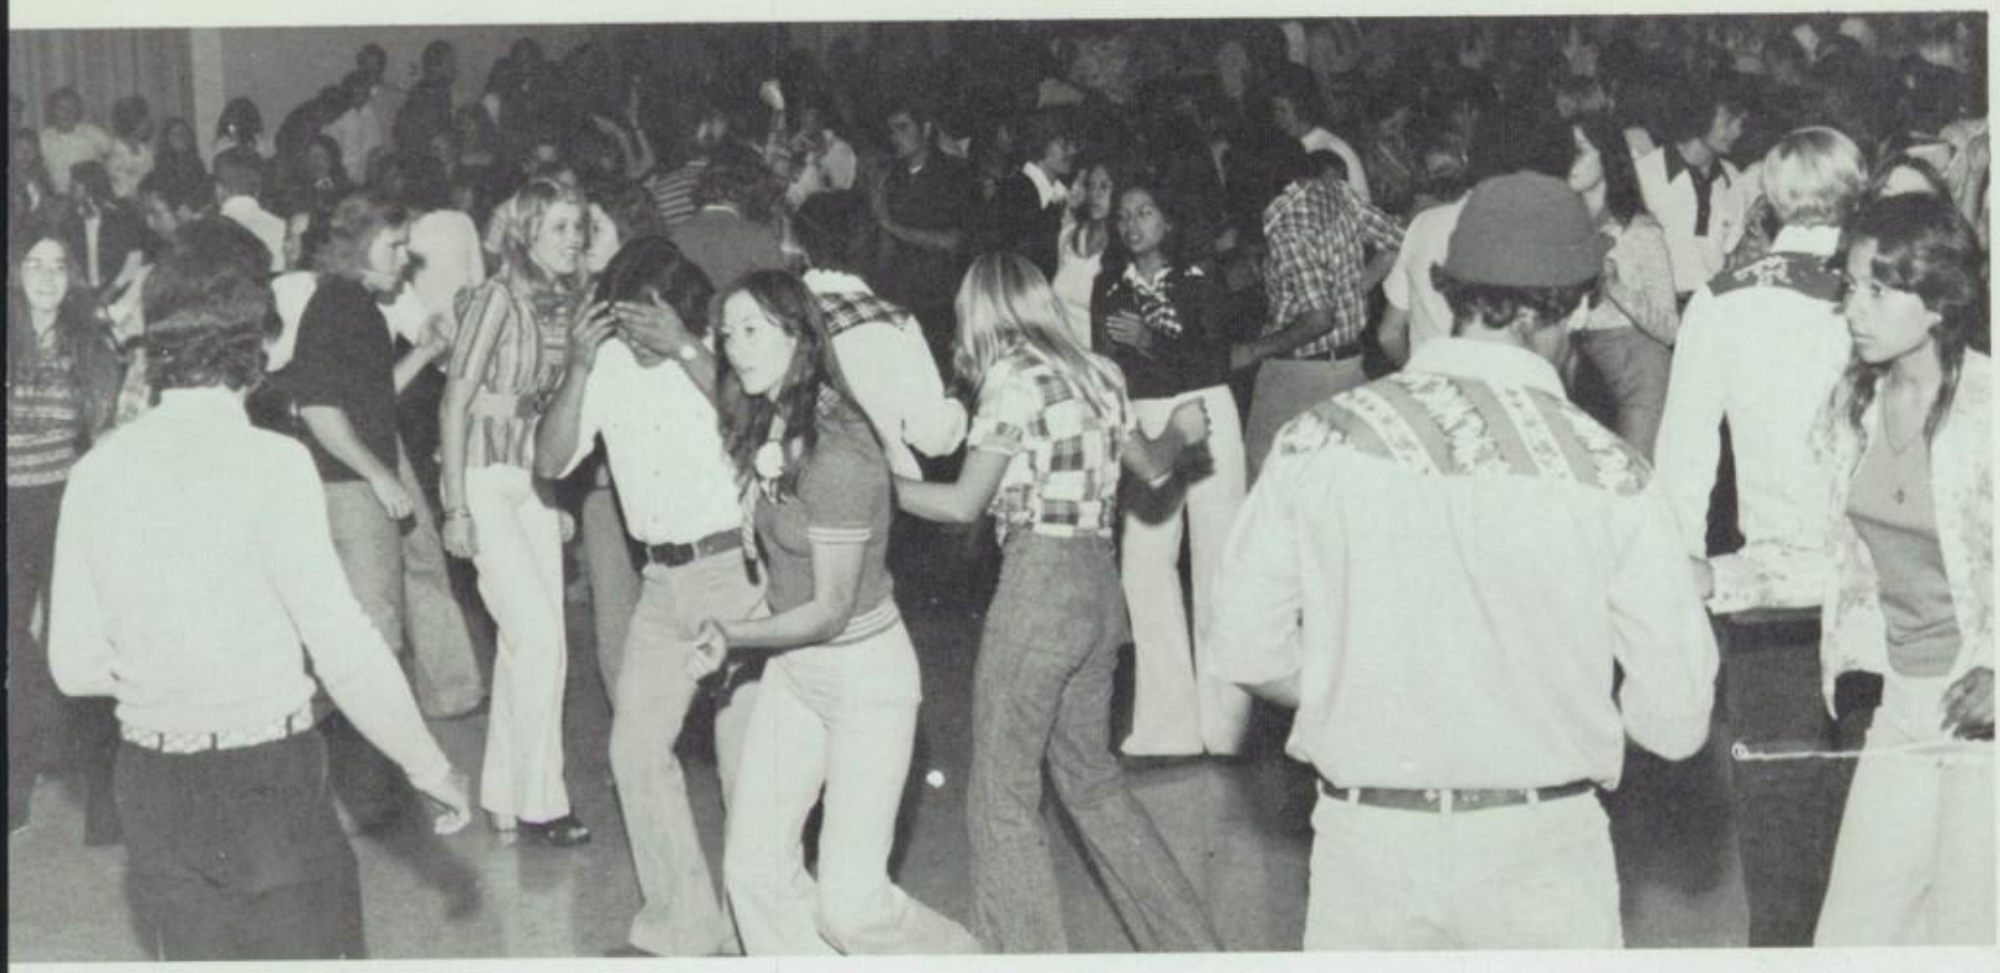
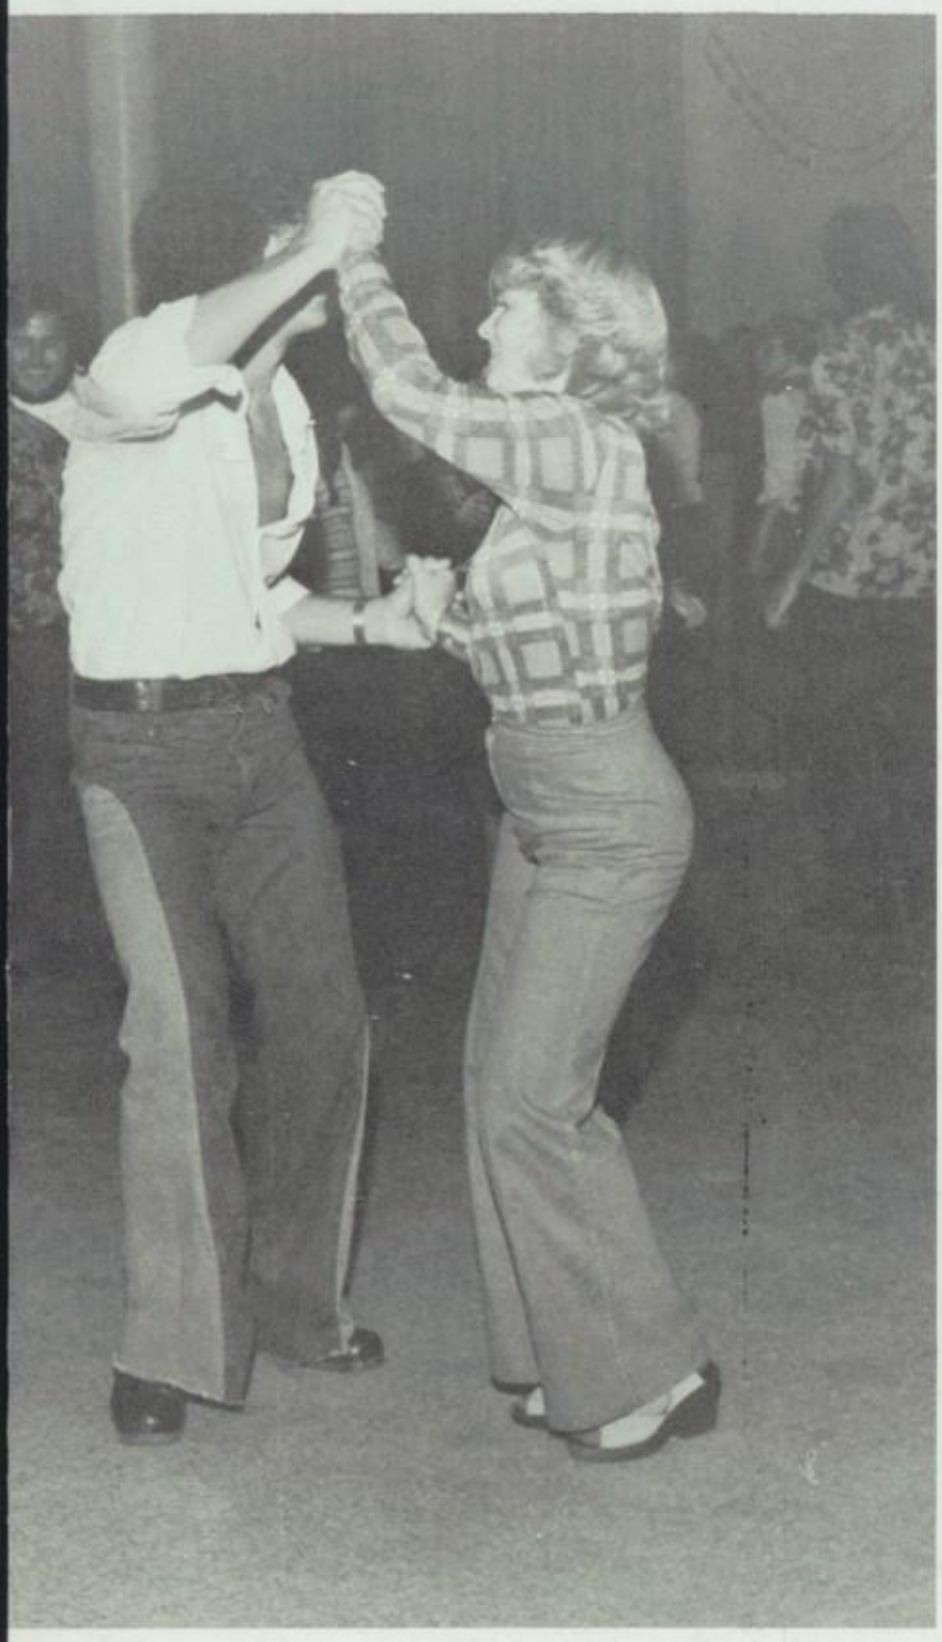
OLD DAYS

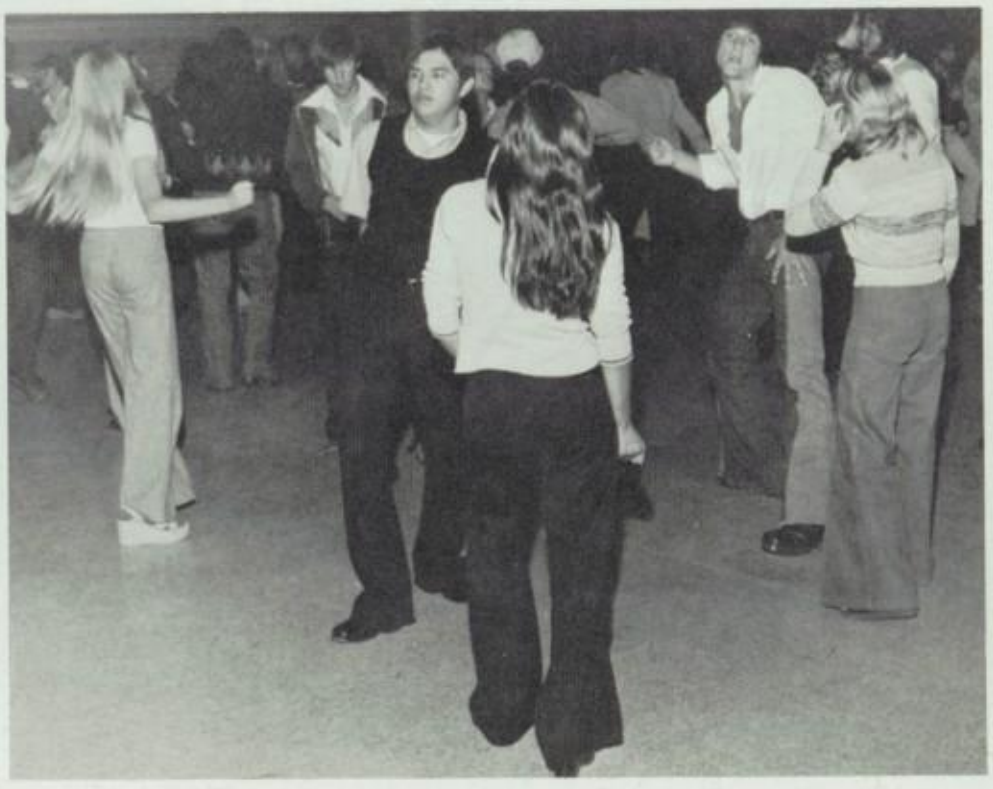
Gold days, good times I remember. Gold days, days I'll always treasure. Funny faces full of love and laughter. Funny places somehow nights and streetcars take me back to the world gone away for your memories seem like yesterday. Old days in my mind and in my heart to stay old days.

HOMECOMING DANCE









HALLO-WEEN

Watch how people dress sometime. It is said that people dress the way they feel. Halloween is a once a year occasion when people can dress up weirdly without being laughed at.

The muffled swish of formals and the grazing of polished shoes bears witness to the abundance of people at this year's Christmas Dance. That just makes for more people eating the food, admiring the music, and generally enjoying themselves.

"UNDER THE YUM YUM TREE"

This funny and frequently hilarious show is about the business of a high-minded, red-blooded American male resisting the innocent blandishments of a young naive girl named Robin, and the not so innocent attempts of the landlord, Hogan, to entice her into a compromising situation. But the sport ends blamelessly. Nothing happens to Robin without benefit of clergy.

THE BREMEN TOWN MUSICIANS

THE GOLDEN GOOSE

This year, as in the past, has been an exciting and rewarding experience performing for children. Our horizons are expanding as we strive to bring our shows to more and more people. We've had the fun of learning sign language so we can perform for deaf children and we thoroughly enjoyed our very full day with the special education school (our favorite people). Not only do we perform but we share their entire school day with them. We become big brother or sister to each child and are taken very good care of by them. These are only a few of the unforgettable moments for us.
Truly a lesson in human relations but above all a lesson in caring.

"THE WORLD OF CARL SANDBURG"

As the dialog goes:
"We're going to travel fast and far tonight because we have a world to girdle and cross. The fabulous world of Carl Sandburg is as big as any man's that ever lived, and greater than most."
With music abounding, dialog crisp, this show becomes a most entertaining and lively tribute to America in our bicentennial year of celebration.

PATRIOT STAFF

This year's 75-76 Patriot Staff went through endless hours of mind boggling problems. For instance, spending days in search of non-existing pictures, wondering who D.J.'s next victim will be to "dash" to the office, pawning off the telephone calls to the first sucker that walks in the door and trying to hold your tongue when Lyle asks the magic question, "Need any help?" Aside from all the problems the staff was faced with, yearbook gave many students a chance to show real individuality. Tracy was constantly saying, "What are you doing?" Lyle was always replying, "What an editor is supposed to do!" Maxine would then yell, "I thought I was editor!", D.J. just yelling. Karol wisely announcing, "I'm not staying after school, I'm organized!", and constantly being reminded of her statement at 10 p.m. while trying to finish a deadline. May was forced to make tough decisions, whether to work on sports or to play Green Ghost! Of course not enough can be said about Myrna's vile jokes that kept everyone in stitches! Kim, Cindy, and Cheryl always being around when you were in dire need of something typed or a cake baked. Melody, allias Speedracer, mumbling under her breath because she was deserted with the whole faculty section left to finish. Oscar showed much initiative when he arranged a fantastic raffle, but he forgot one detail, the prizes! Then there is our trusty photographer and lab technician, Jean. Jean could never figure out why unfocused pictures develop fuzzy, but then Jean's always in the dark. Last, but not least, Dave and Stormie. Stormie was agreeable to everything. Dave was not so agreeable but did it anyway with a smile.

Well, so much for the easy English class the staff thought they were in!

VARSITY BASKETBALL

The score is 50-50 and there's three minutes left in the game, we're almost out of time, and it's close . . . really close. You can hear the crowd counting down, and you can almost feel the ball going down as the other team scores the winning points. Somehow, losing like that almost seems as good as winning.

WHY JAYCEES . . . WHY TODAY?

Where are you going?

Just got out of high school? Just got out of college? Just got married? Just starting a family? Just looking for a community to settle in? Just wanting to do more for yourself, your family, your community? The Norwalk Jaycees is just for you.

What is Jaycees?

Jaycees is a group of young men dedicated to leadership training through community service. Jaycees have been active in Norwalk since 1948 and in the United States since 1910. In recent years, the group has extended into an international organization with chapters in more than 80 nations. Membership in the organization is open to young men of any religion, color or creed, between the ages of 18 and 35.

Jaycees offer personal growth through community development for young men. The Jaycees is designed specifically to meet the needs of the young man seeking to make his place in his community.

In working toward these goals, every young man is offered the opportunities of a voice in community affairs, a practical leadership development course, the chance to try new ideas and improve old ones, and social contact with other young men.

Today, local Jaycee chapters are active in over 6400 communities across America and in over 80 foreign countries.

Here are the main reasons why young men join the Jaycees:

the desire for self-improvement. To learn how to accept responsibility, to make decisions, become effective speakers, learn management techniques, to be better employers, employees and citizens.

the desire for community involvement. To have a hand in searching out community ills and then to plan and execute constructive action projects to remedy them.

the desire for fellowship. To meet progressive young people in their own age bracket, with similar interests—similar goals. The friendships made are not confined solely to the local community, but extend nationally and internationally as well.

What do Jaycees do?

Almost anything you want them to. Each member is encouraged to come up with project ideas and to submit a proposal for carrying out a specific program. In this way, a member can develop his leadership abilities. Among the specific projects conducted by Jaycees in Norwalk are the city annual Fall Festival, a Fourth of July Fireworks Show, the delivery of more than 1,000 Christmas stockings to local youngsters, the selection of an Outstanding Young Educator from this city, a Christmas party for the youngsters at the California Youth Authority and the sponsorship of a memorial fund for policemen slain in the line of duty. In between carrying out these community service projects, we enjoy fellowship with each other and our families at social functions for our members. We also take time to meet and exchange ideas with Jaycees from nearby Cerritos and distant Grass Valley.

Want to know more?

You can find out what Jaycees are about by attending one of our meetings which are held every Wednesday at the Jaycee Hall, 12220 E. Firestone Blvd. Actually, we move the meeting to another location on the second Wednesday of each month when we meet over dinner and present a prominent guest speaker. If you'd like more information about these meetings, call 868-3020. We'd be happy to answer any of your questions and more than happy to have you become one of us.

THE JAYCEES CREED

WE BELIEVE:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.
